Forward

The appreciation of music by many students and parents in Smethport inspired us to follow a musical theme throughout our yearbook. In this book we have attempted to place the things of special interest to the entire student body.

We, the staff, hope that this yearbook will be a pleasant reminder of high school days to every student—especially to the seniors, who will leave High School behind them and seek success in life.

SENIORS

OFFICERS

As we returned to the responsibility of setting the pace in the school, this time officially, we were astounded by the immense task which awaited us; that of cleaning up the "debris" left by the "Mule Train," which dragged the '49ers through . . .

We left it with but one problem, "How were they to get along without us?" We left this to be solved by posterity, Mr. Johnson, and Henry Cummings. Good Luck, Henry!!!! We are confident that by following our example, S. H. S. will endure. . .

"Dearie, Do You Remember When. . ."

Freshmen . . . nearly 100 of us . . . Mr. Vesber's whistle . . . 8 period day . . . Mr. Bright . . . long lunch hour . . . Don Rathgaber . . . Fresh!!!!

Junior . . . Undefeated football team . . . Junior Jamborie . . . floor show . . . Top Hat Banquet and PROM . . . Heany . . . Student Council-Highways became treacherous.

And with that we say, "GOOD BYE," to all your "Dear . . . and Gentle People" . . .

JUNIOR CLASS

OFFICERS

<i>President</i>	WALTER JOHNSON
<i>Vice President</i>	BILL YOKERS
<i>Secretary</i>	ORVILLA BROCKITT
<i>Treasurer</i>	JENETTE REDFIELD

Sitting in Room 25 is a little group of people known to passers-by as Juniors but in reality they are, as they like to call themselves, members of the Class of 1951.

They like to picture themselves as just one happy crew; a group of individuals who have come up through the grades in many different schools, but who are now knit together in one inseparable body. Under the guiding hands of Miss Bonfilio and Mr. Glarner and with Bud Johnson as our helmsman, we have navigated the waters of another year. We have avoided running aground on the jagged reefs of finance and have made our way through the perilous waters of The Prom.

We are now faced with clear sailing until we enter the storm so much more glorious than the wake that lays behind us.

The expanse of sea before our ships is the most tempest tossed on the map. It is not a voyage for slackers, and the ship's berths are open only to those chosen few stalwarts who have proved themselves worthy on our previous trips. Let us vow as a crew to man our posts with a will so that when we pass into other vessels we may sail them into horizons that reflect a record that all may honor.

It is with great—but humble—pride that we take the place of flagships of our school for the coming year.

This Sophomore class is a large one with many of the students coming from the townships.

Our class has been very active; last fall we exhibited a prize winning float in the Homecoming Parade; in November we had a very successful Hop, and in February a Baked Food Sale.

The students in our class also participate in extra curricular activities, ten members belong to the Senior Band; six are members of the Vested Choir, and a large part of the Junior Varsity Basketball team comes from our class.

Sophomores are no longer considered "underclassmen," but we now belong to the Senior High groups.

We are all looking forward to becoming Seniors; but we know we have much hard work ahead of us.

Our class has been particularly active in sports and musical events all year. A few of us were lucky enough to make County Chorus, County Band, and Junior District Band. Everal Wright and Teen Johnson attended Forensic at Clarion.

Last but not least, we mention the ninth graders who played football and basketball: Cunningham, Reynolds, Sheffer, Gamble, Shirey, McDermott, and Burford. Our girls made a fine showing in the Physical Education Exhibition.

EIGHTH GRADE

OFFICERS

<i>Vice-President</i>	DON McDERMOTT
<i>Secretary</i>	SUE SPANOGLE
<i>Treasurer</i>	MARLENE LARSON

The Eighth Grade started with an enrollment of forty-four. James Connors left us for six weeks but returned to the fold. In January we were sorry to lose Cecelia Mitchell, who left school because of her mother's illness. Her place has been taken by Erma Ogden, who came to us from Keating Township.

We have a Literary Club of thirty members. Marlene Larson is its president, and Genevieve Placer is secretary.

We recite in two divisions. Guess which is the shining light, 8A, or 8B? Yes, you're right. We may not be the most scholarly class, but we have many interests. About ten have a part in the band and fifteen are in Mrs. Maenhout's choruses. Four of our boys did right well in the Physical Education Exhibition. The girls have selected Sue Spanogle as the girl most likely to succeed in life, and the boys have chosen Billy Digel as a young man who will forge ahead.

As the Seventh Grade became a part of Junior High this year, we numbered 38; of this number 14 came to us from Norwich Township.

Gillette Card was honored with a party and presented a gift as he left at mid-term to make his home in Florida.

This class has considerable musical talent as many are represented in the Keating Township Band, and two outstanding performers—Valjean Comes and Penny Robey—are members of the Senior Band. Many take part in the Junior Boys' and Girls' Choruses and in the Junior Dramatic Club. The choirs presented three public concerts.

A one-act play entitled "Why We Are Thankful" was well received when given at assembly and a P.T.A. meeting. Again in the spring the Dramatic Club presented a three-act mystery play "The Haunted Tearoom," under the direction of Mrs. Olive Schreiber.

First row: Robey, Norman, Comes, Mix, Boswick, Pais, Mrs. Schreiber, Faes, Tarbox, Abbey. *Second row:* Burdick, Van Sickle, Cummings, Goodwill, Hickey, Campbell, Lindquist, Brown, Weidert. *Third row:* Smith, Dunkle, Petruzzi, Hendrickson, Cook, Shirey, Denning, Elliott, Lathrop Moran. *Fourth row:* Card, Razey, Simonetti, Smith, Digel, Cleveland, Burdick, Kennedy, Bernard.

<i>Opponents</i>	<i>Score</i>	<i>SHS</i>	<i>Opponents</i>	<i>Score</i>	<i>SHS</i>

Coudy	40-12	Lost	Renovo	6-14	Won

Port	25-18	Lost	George Jr. Rep.	18-12	Lost

George Junior Republic was the first game of the S.H.S. gridiron club. After a long hard battle we found ourselves on the short end but undespaiored, the team went back to practice. The next game came and Sheffield invaded and rolled over us 20-0. Sheffield, by the way, had one of the toughest teams in this district. Finally we won a game and stretched it into two games straight. The game with Renovo had two significant happenings. First, it was the first night game at the McCoy Stadium and also the team retained the trophy that was won the season of 1948. The Hubs lost its Homecoming game to the Gators from over the hill. The Hubbers traveled to Coudy on a bleak, windy Saturday and again met with defeat. In hopes of a final victory we played Kane on the annual Armistice Day but to the despair of the whole school we lost.

The problem of this season was that our coach was faced with rebuilding the team of last year. We should have another good team next year because the mighty J. V's have shown their power by making an even split of their games.

Good luck to a Great Coach it's been a great third year with I could be back again next year. Let's take it there in a row.

At the beginning of the season the 1949-'50 North Tier Champions were regarded by many only as a 'good' team and that they might match last year's team at best. But the Smethport Varsity Basketball Cagers were determined to break all previous records in basketball in this school, and their determination won through due to the undaunted efforts put forth by Coach Ted Vesber and his team. Spectacular throughout the season was the clock-like team work that mechanically ticked off the wins, which resulted in a 20 win season, with only 3 losses. This bettered last year's team, whose wins totaled 18 and losses 5.

HUBBERS WIN TEN STRAIGHT: On November 30, 1949, the Hubbers began their victorious season by trouncing the Alumni with a score of 44-20. We next played three non-league games 'for practice' for the coming important league games. December 2, we beat Portville 44-23; December 6, Wilcox 57-38; and December 9, Sheffield 30-26. on December 13 Shinglehouse traveled to Smethport to be our first league game. We sent them home 'with long faces' for we beat them 44-43. Our first real threat appeared in the form of Coudersport on their own floor December 16. Their team was strong, and the game rugged, but we managed to better them 34-31. Two non-league games were next scheduled at home. We beat Emporium December 21, 58-48; and Wilcox, for the first game of the New Year, 63-27, on January 3, 1950. We managed to down a very strong Mt. Jewett team 39-36 January 6; and beat Ulysses 61-37 on January 10.

SHS LOSES TO OTTO AND SHEFFIELD: On Friday, the thirteenth of January, we met our first defeat at the hands of the Otto Terrors. We were behind most of the game, but somehow tied the score when the buzzer sounded. Otto managed to score the last basket in the overtime period and won the game, 43-41. Eldred was the victim of

Mr. Vesber.

This is a wonderful time for me to thank you for the help and time you have given me. I am sure that if it weren't for you I would have never played basketball. I am sure I will never forget the good times of last season and I am looking

our rebound as we beat them 39-17 on January 20. Now comes one of those mysteries that no one can explain. On January 24 we journeyed to Sheffield, where we led most of the way throughout the game. The opposing team unexpectedly rallied, caught up with us, passed us, and won the game 32-22.

NINE VICTORIES APPEAR OVER THE HORIZON: Port Allegany met defeat at our hands on January 27, with a score of 57-45. On January 31 we met a very strong team at Shinglehouse. The score was close throughout the game and an extra period was required to play off a tie. We managed a winning basket and beat them 44-42. Coudersport lost to us 40-33, February 3. Hubbers received a jolt on February 7 as Portville unexpectedly gave us a very rough time. However, we defeated them 32-30. Mt. Jewett threatened us on February 10 as they led the game until during the last 50 seconds. The Hubbers somehow copped 7 points to tie the game and we beat them 45-43 in an overtime period. The Ulysses game was postponed to March 7, but finally cancelled because of sickness of members of that team. Due to illness among our own team members, the Otto game was postponed until March 3. On February 21 we defeated the unpredictable team Eldred, 56-36; and Port Allegany 56-38, on February 24. Finally March 3 rolled around and revenge was ours as we trounced the Otto 'Terrors' 43-30.

RICE ILL; HUBBERS LOSE TO KANE IN CLASS B PLAYOFFS: The North Tier Champions on March 9 played the Mountain League Champions, (Kane) on the Bradford Junior High School Gymnasium. Crippled by the loss of our star player, Dean Rice, we managed to play a good game; but they defeated us 55-34.

FACTORS CONTRIBUTING TO A CHAMPIONSHIP TEAM: 27 miles of adhesive tape, 286 oranges, 3 gallons of cough medicine, 9 angle wraps, 4,009 cough drops, one-half ton of vaseline; Winslow's hips; Corky's height; Tom and Fred's shooting ability; two of the best managers in the world; loyal rooters—"Nap," "Bonnie," and H.R.

WHY A COACH BECOMES A "BUNDLE OF NERVES": Weak ankles, allergies, virus, rashes, Charley horses; slippery floors (Otto and Shinglehouse); Youkers and his handkerchief; Normie's French pastry (behind-the-back passes); Corky's floating position fake; Ronnie's jump-shot; Hallstrom's English in his layup; Rice passing up a good shot to feed; the second Sheffield game; Don's war chant: "Give us some competition, will you?" Benson's little green hat getting smaller after each victory (20 of them).

THE COACH IS QUOTED: "You don't get something for nothing." "Let's get the boards, the loose balls, and the jump-balls." "You can't rest on your laurels." "Nothing succeeds like success." "Don't get cocky, we're only 18 points ahead."

A COACH HAS PLEASANT MEMORIES: Dean's poise in close, crucial games; watching the boys tying up the Mt. Jewett game by scoring seven points in the last 45 seconds, then going ahead and winning in the extra period; having all members of the squad doing better than average school work—six of them honor students; winning the North Tier League Championship; gold cuff-links; seeing the team "click" in the final Coudy and Otto games; the banquet; Dave's fine first five play in the final five games; bubbling personalities—Bobby and Fredric; Edward "Gibby" Denning's officiating; the superb paired team play of the "Old Reliables"; the terrific last quarter drives in both Emporium games; the "Kid's" left-hand; the Captain's foul's shooting; Dean and Norm chosen on the first five of the North Tier All Star Team; Ronnie's fire, Bill's boardplay in the first Mt. Jewett game, Benson pouring it on in the final Port game; Billings and Baker demonstrating their "money-player" qualities in the Kane game; the splendid sportsmanship and fine attitude of the whole squad; the privilege of coaching a squad of thoroughbreds—yes, a coach is well paid.

forward to more next year.

OFFICERS

<i>President</i>	BOB MARTIN
<i>Secretary</i>	BARRY JOHNSON
<i>Treasurer</i>	CHUCK McKEIRNAN

The Varsity "S" Club was formed in 1946 by varsity lettermen in football, basketball, and track. The purpose of the club is to raise funds to buy jackets for the Senior members of the club. An amendment was made last year to include the senior members of the cheerleaders in the club.

Bob Martin, who was elected vice-president at the end of the 1949 school term, became president when Ken McCord was stricken with polio during the summer.

Last fall, the members built a refreshment stand at the stadium. Various members worked in the stand selling hot dogs, pop, and candy. Later in the term, we held a baked food sale, and to finish off we sold a Philco Radio. The club had a very successful year financially.

The jackets, black wool on one side and orange and black satin on the other, were presented to us at the annual Downtown Coaches' Banquet. To close the year's activities, we had our annual party at the end of the term.

First row: Howe, Hallstrom, Cook, Martin, Billings, Rice, Moore. *Second row:* T. McKeirnan, Lynch, Douglass, Benson, C. McKeirnan. *Third row:* Kohn, Winslow, Baker, Mayer, Stickles. *Fourth row:* R. Johnson, Elicker, Youkers, Covert.

JUNIOR VARSITY BASKETBALL

As the Smethport Varsity cagers stood in the limelight, another group of champions were supporting the glory of S.H.S. They were the Smethport High Junior Varsity, a team composed of inexperienced under-classmen who were gaining the training necessary to become future Varsity men. The task of molding these boys fell into the capable hands of Mr. Glarner.

When cage practice started in the fall, even the wisest wondered what Coach Glarner was going to do. He had lost all but six of last year's team and these had little experience. However behind closed doors he formed an unbelievable combination around "Big John" Hamilton, Carlton Denning, Joe McAnallen, Bud Johnson, and Dick Burt. On the bench sat an eager group of boys all willing to learn and to play their hearts out doing so.

The smooth playing Junior Hubbers made the first few games look like pushovers, but as the league had not yet opened, their followers were still dubious. Then came one victory after another and the Glarnermen were recognized as champs.

They took the "mythical" Jayvee League with thirteen victories and no defeats and were defeated but once in twenty-one starts. That loss came at the hands of Emporium in an overtime period in their nineteenth game.

INTERESTING BITS ABOUT THE PLAYERS

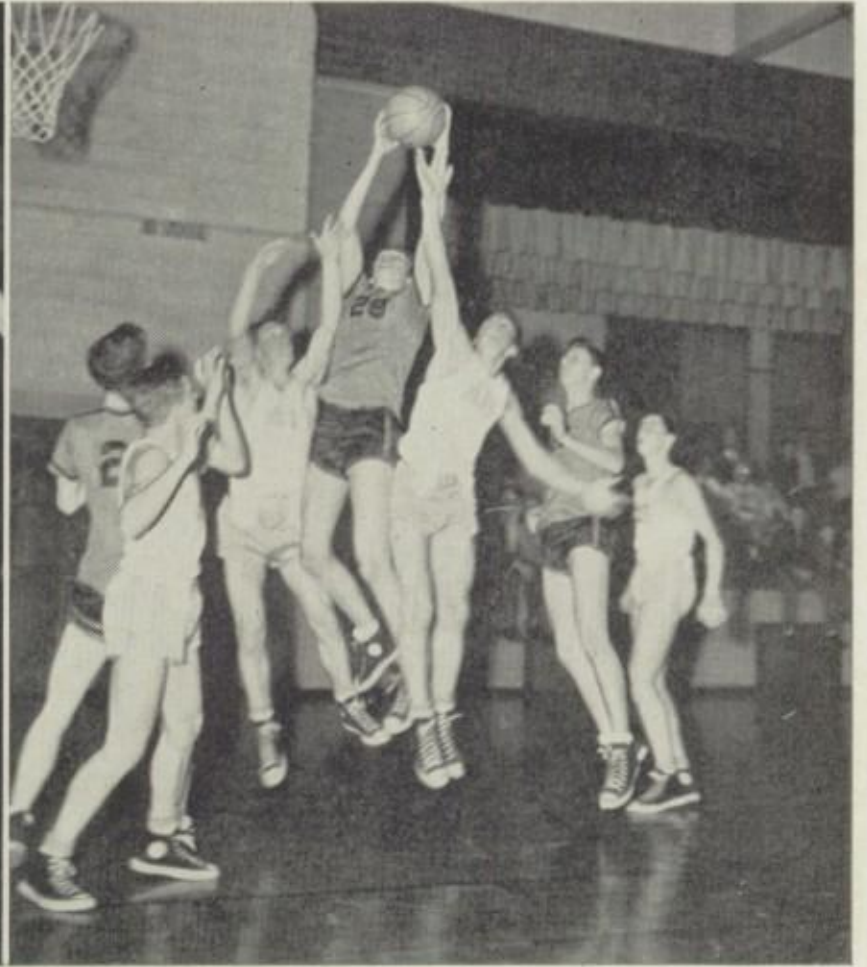

Carlton Denning bouncing off the Port Allegany, Otto, and Eldred floors . . . Joel Gamble entering the Portville game wearing his warm-up jacket . . . Dick Burt's board play throughout the season . . . Joe McAnallen's calmness under pressure in the final Otto game . . . John Hamilton's rope-skipping and wonderful attitude and determination to improve . . . Bud Johnson's injection of humor into the entire squad, and famous reply to instructions "Got Cha" . . . Coahran and Francisco arguing metaphysical phenomena during every practice session . . . John Marrone throwing body-blocks at the Eldred team . . . Harold Reynold's wonderful play when he filled in while Burt was ill . . . The faithfulness of the two Cunninghams, who did what ever was asked of them and never questioned it . . . The locker-room antics of Burford and McDermott . . . The energy of Don Ross . . . The outlandish practice uniforms of Bob Howe . . . The constant work of "Scoop" McKalip to give us publicity . . . And most of all, the great comeback the team made, after their loss to Emporium, trailing Otto by seven points at halftime, to go on to win, and cop the "North Tier Mythical J. V. Championship."

SENIOR BAND

Smethport High School has been well represented by the Senior Band during the '49 and '50 school term. One of our biggest activities of the year is the football parades. During the season the band marched for almost all the games. At half time, the spectators enjoyed some drills and figures done by the group. Many of the figures done included the large "S" and the first letter of the visiting team's name.

Another great event of the band was the District Band Festival, which was held in Coudersport on January 12, 13, and 14. Eight Smethport High School students participated in this festival. They were Jeanne Halpenny, tenor sax; Imogene Harmon, bassoon; Raphael Smith, cornet; Vivian Hirsch, trumpet; Marguerite Stark, clarinet; Don Vaughn, clarinet; Gail Connors, horn; and Jonnie Lynn Peterson, oboe. One of our group, Jeanne Halpenny, was chosen to represent Smethport in the State Festival at Hazelton.

Two more of our members attended district festivals. They were Imogene Harmon, bassoon; and Raphael Smith, cornet. They participated in the orchestra which met March 9, 10, and 11 in Martinsburg. Imogene was selected to attend State Orchestra.

The first trip of the spring was the entire band's journey to Clarion, where they competed in District Forensic. Along with the band, there were also several people who competed in solos: a wood-wind quintet participated too.

The high light of the year was the joint meeting with Mt. Jewett High School. There were two concerts given, one at Mt. Jewett and one at Smethport. At the Smethport concert, Don Vaughn, Imogene Harmon, Raphael Smith, and Everal Wright were featured as soloists. Mt. Jewett students from that school were selected to appear on the program.

JUNIOR BAND MAJORETTES

VESTED CHOIR

The Vested Choir of Smethport High School is a select group of 36 voices.

Our first concert was held last fall in the Auditorium. Among our selections were two Fred Waring arrangements, "Country Style" and "Dry Bones" and also "Etude for Chorus," a Latvian folk song. Solos were sung by Marguerite Stark, Vivian Hirsch, Ronald Johnson, Neil Douglass, and Ralph Brace.

In December we presented our Sacred Concert. The most difficult number was "The Halleluiah Chorus" from the "Messiah." Other well-known favorites were "Silent Night," "O Holy Night," "The Birthday of a King" and "Westminster Carol."

Added to our list of soloists were Robert Digel and Donald Vaughn.

In January we presented a group of songs for the County Council P.T.A.

April first, we journeyed to Clarion to participate in the District Contest of P.F.M.L.

Ten members of the Choir were chosen to represent our school at District Chorus which was held at Lock Haven in April.

At our Spring Concert we sang, "In That Great Gettin' Up Morning," a Negro spiritual, and "O' Divine Redeemer." Jerry Nelson and David Hallstrom joined our group of senior soloists.

Twenty choir members were selected to participate in County Chorus at Port Allegany in May.

The final appearance of the sixteen senior members of the Choir was made at their own Baccalaureate service singing, "The Lord is My Shepherd" and "Beautiful Savior," and at the graduation exercises singing, "Go, Song of Mine" and "You'll Never Walk Alone."

SENIOR HIGH GIRLS' CHORUS

"A PRETTY GIRL IS LIKE A MELODY." Thirty pretty girls in evening dresses are like a bit of close harmony—especially when it comes to Senior High Girls' Chorus.

This year we harmonized on many dreamy numbers — "Quito Asleep," "Clouds," "An Old Fashioned Garden," and "A Green Cathedral," and also some livelier songs—"We Must Be Vigilant," "Grandma Grunts," "Carol of The Bells," "Teddy Bear's Picnic," "Chiapanecas," and "Chop Sticks."

At the Christmas Concert Doris Raught sang the solo in "Gesu Bambino," and Neil Douglass was featured with the chorus in "Nazareth."

It was the most successful year for the Girls' Chorus since its organization.

JUNIOR HIGH BOYS' CHORUS

Junior High Boys' Chorus is a group of twenty-five boys who sing in three part harmony—soprano, alto, and bass. This Chorus gives preparation for Senior High groups; gives us concert experience; and provides enjoyment in singing many "boys'" songs.

We have appeared in several concerts this year. The basses enjoyed singing "The Hammer Song" at the fall concert because their part consisted of a number of "Cling, Clangs." At the Christmas concert our feature number was "We Three Kings of Orient," with the solos of the kings sung by Duane Elliott, alto; Howard Digel, alto; and Donald McDermott, bass.

We enjoyed many very "peppy" songs in rehearsals—especially "A Capital Ship" with its nonsense words and "The Sailor Boy," who fell over board and then enjoyed being with the mermaids so much that he didn't want to be rescued.

JUNIOR HIGH GIRLS' CHORUS

Junior High Girls' Chorus is now three years old. Some of the thirty girls who now make up its membership were a part of the first Junior Girls' Chorus.

It is customary for us to make several appearances each year in our white blouses and black skirts. At the fall concert Mary Lee Smith and Carol Norman accompanied us on the piano. At the Christmas Concert Sue Spanogle played for us. Janet Brown, Valjean Comes, and Sue Spanogle sang a trio on "No Room For The Saviour."

Several of our group were chosen to go to County Chorus at Mt. Jewett this year. Since only nine persons from each school were accepted, it was quite an honor to attend this.

We have enjoyed many songs this year—"Dodo," "Green Cathedral," "Chia-panecas," "By The Mississippi," and "Sleepy Hollow Tune." Our favorite was "The Teddy Bear's Picnic."

STUDENT COUNCIL

OFFICERS

<i>President</i>	COURTNEY HOWE
<i>Vice-President</i>	DAVID HALLSTROM
<i>Secretary</i>	WALTER JOHNSON, JR.
<i>Treasurer</i>	RONALD JOHNSON

Student Council is a young organization in its second year. Against much criticism and ridicule, it has climbed to a place of respect in our school.

In the past year the members have tried to pass legislation for the benefit of the student body. They have worked hard to build a strong foundation on which will be based the Student Government of future years. Our duty to the students is best expressed in the preamble to the constitution!

"We the students of Smethport High School, in order to promote the betterment of this institution, establish citizenship, insure more democratic principles and create amiable relations throughout the student body, do present this constitution to originate and secure the permanent existence of student government."

STUDENTS' BANK

The "Students' Bank" is an activity sponsored by Miss Napolitan. The function of this activity is to keep an accurate record of all the transactions made by classes and other groups.

Seventeen different organizations carry accounts with us. An "abstract of accounts" is posted for public inspection each month so that each organization may see how it stands financially.

Chuck McKeirnan acts as cashier. His job is to receive deposits and check them to be sure that there is no mistake in the figures on the deposit slips; he then deposits all the money in the Hamlin Bank.

Violet Raught and Helen McDowell are the efficient bookkeepers of the organization. Violet makes the original entry in the general journal. Helen records the final entry. She posts the accounts from the general journal to the proper accounts in the ledger.

We have a filing system in which to keep our records. This is necessary because we must have proof of every entry in the book. This activity has been a great advantage, not only to the separate accounts, but to the school as a whole.

PRESS CLUB

Meeting each Friday is a group called the Press Club. This is a very unglamorous name for a hard working group that is the official organ for Smethport High.

It is the duty of each and every loyal Press man or woman to keep his or her eyes and ears open, and catch the events that are happening around school. They cover the news from the athletics, down through the social life and the parties to the everyday happenings around the school. There are also the members who go home at night to sweat out ideas for features they are writing for the next issue.

Summing it up, it is a very thankless job with the sponsors, Mr. Glarner and Miss Colegrove, bearing the brunt of the impact. For them it is one big battle against tardy reporters, atrocious English errors, and a shortage of typists.

It is hoped by the group that some day someone might use the knack of writing they developed here to become another Horace Greeley. Probably that day is far in the future so—for the present they will go on working for the local weeklies hoping to get into the big time.

DEBATE CLUB

To become a member of Debate Club, a student must maintain at least a "B" average and be invited to join by one of the Senior members. Our membership is limited to twelve. At the present time we have three teams who use the Cross Examination method of debate and three teams who use the Rebuttal. Senior members are awarded pins.

Some of the more enjoyable features of Debate are our frequent meetings with Bradford, in which we debate the current Forensic topics. This year the topic was, Resolved: "The president of the United States should be elected by direct vote of the people." We also look forward to our annual meetings with Rotary and P.T.A.

A new experience for us this year was debating for assembly. The question for debate was the Student Activity Ticket. This was the first assembly program we have given and needless to say we enjoyed it.

Next year we are looking forward to joining Forensic competition.

SENIOR DRAMATICS

The Senior Dramatics Club in December of 1949 produced the play, "The Daffy Dills" by Jay Tobias with a cast which included the following:

Bernard Ball.....*Richard Dill*
 Violet Raught.....*Carol Dill*
 Chuck McKeirnan.....*Rodney Dill*
 Connie Kohn.....*Doris Dill*
 Edward Denning.....*Dudley Dill*
 Jolyn Parker.....*Grandmother Dill*

Carolyn Gregory
Cousin Maude Maddox
 Helen McDowell.....*Elaine Escott*
 Marguerite Stark....*Aimee Lovewell*
 Bob Martin.....*Pete Norton*
 JoAnn Kearns.....*Widow Woggles*
 Glenna Burlingame.....*Arnica Jukes*

Jean Halpenny was bookholder; Donna Maynard and Courtney Howe did the make-up; Miss Colegrove directed the performance.

With that production a past history, the Senior Thespians worked on three one-act plays, — "Statistically Yours," "She Stoops To Conquer," and "The Rivals"; the Junior members of the group are preparing "The Moon Keeps Shining."

ART CLUB

The club membership was made up of forty-six talented students. Their varied accomplishments have been displayed not only at school but also throughout the town. In particular there were the window decorations at Hallowe'en, for which cash prizes, donated by the Chamber of Commerce, were given to the winners. Also posters for various affairs were made by students of the Art Club.

This club participated in two national art contests, the A.A.A. Poster Contest and the Soap Carving Contest.

All through the year members showed outstanding work in oil and textile painting, and the making of decorations for numerous affairs.

The project selected for contribution to the school was the painting of murals on the cafeteria walls. The puppet show was also a main activity of the second semester.

Club work was displayed in the spring with an art exhibit showing the finest of arts within the school.

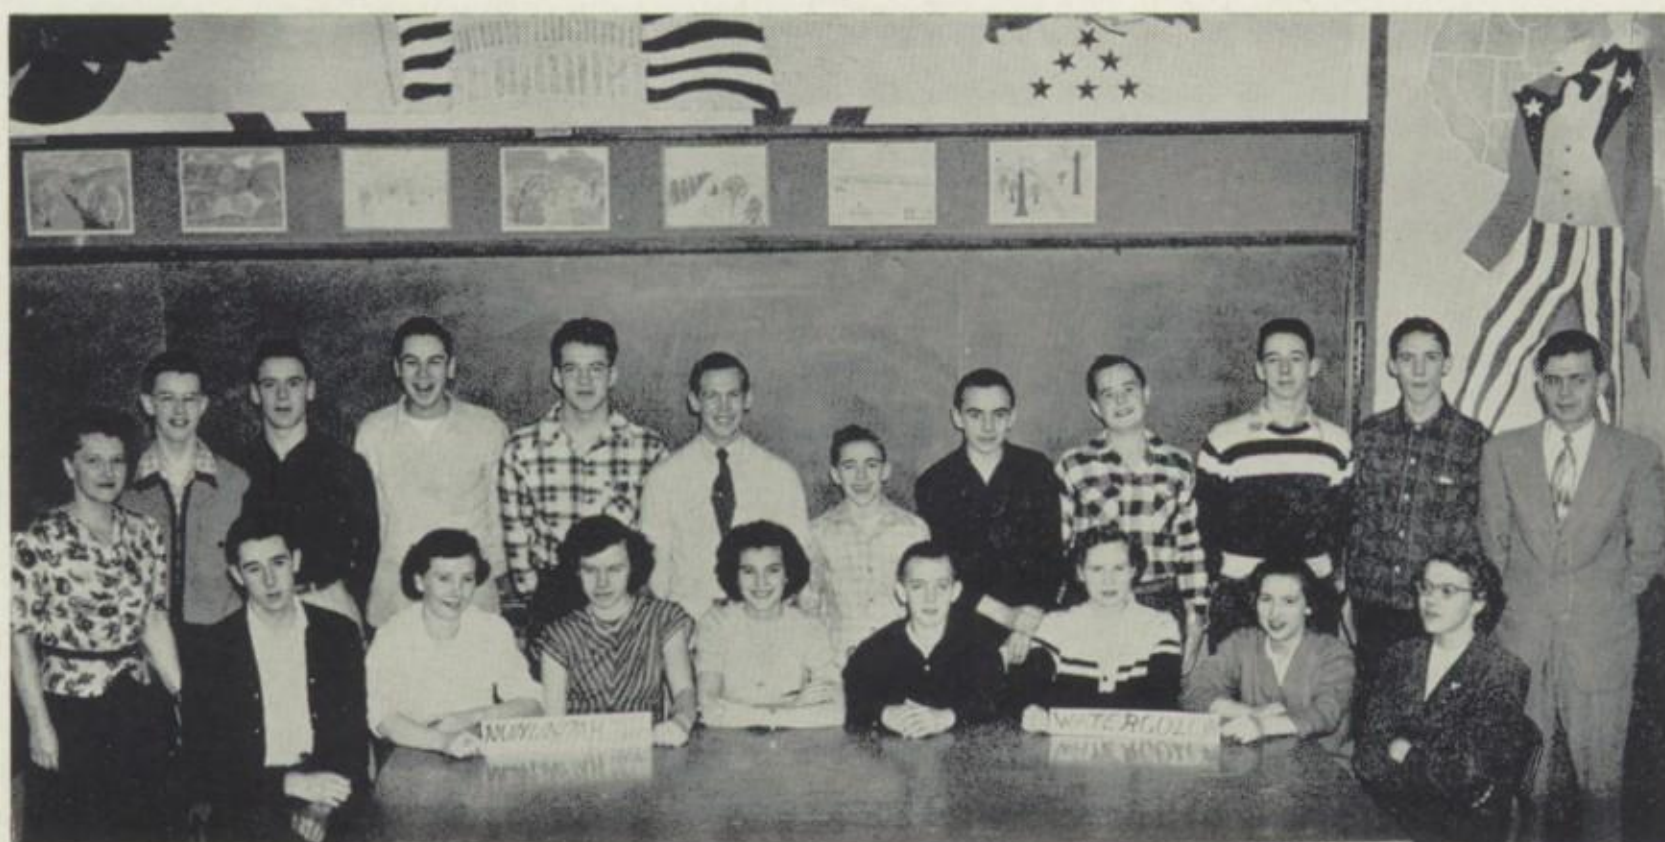

Seated: Raught, Wilcox, Stark, Shelley, Wolfe, Hibbard, Ludwig, J. Raught, Shirey. *Standing:* Bishop, Weaver, Gregory, McKenzie, VanGorder, Maynard, Johnston, B. Johnson, Ruoff, Hull, Henry, Mrs. Anderson.

Art Club

The Water Color Club, which is a branch of the Art Club, was started this year by Mr. Rugh. The two main topics of learning have been the blending of colors, landscape sketching, and painting. The club started with eighteen members.

The Nunundah Art Staff is the group that drew the title pages of this year book, and also did all the hand printing. This group worked for about two months to perfect superb drawings suitable for the book.

Seated: C. Howe, Mealy, Ladlee, Maynard, Marrone, L. Ladlee, Daugherty, Bullers. *Standing:* Mrs. Anderson, Comes, Johnson, Youkers, Douglass, Martin, McDowell, Lindgren, Peterson, R. Howe, Earl, Mr. Rugh.

RADIO CLUB

The development of vocational interests of the students in the school is one of the primary purposes of education today. The object of the radio club is to ferret out those boys who have the qualifications and desire to develop their interest in electronic science and bring to view the opportunities open in formulating a life's work in this field.

All of the boys have assembled and wired workable radios, which for a ninth grade boy is no small achievement. Older members of the club are well enough versed in the art to keep the school's electronic equipment in good repair. At the end of the school term it is expected of the boys that they will have the ability to send and receive international Morse code.

In our club, as in most organizations of its kind, the amount of good realized, can only be reckoned by the time and effort its members are willing to contribute.

Moran, Clark, Francisco, Comes, Coahran, Coleman, Burdick, Mr. Larson, Angel

PROJECTION CLUB

When Mr. Johnson became principal of Smethport Borough Schools, he found it advisable to select a number of students to assist in the operation of projectors. Therefore he formed the Projection Club to train operators and to assist him in the operation of the projectors.

Our school is very fortunate in having adequate projection equipment and easy access to the County Film Library. This is beneficial since students retain information seen on the screen longer than that found in text books. These benefits are also extended to outside organizations through the co-operation of Mr. Johnson and the club.

The latest enterprise of our club is the maintenance and repair of the projector equipment of this and neighboring schools. The experience thus gained may prove very valuable in future life, but probably more important is the satisfaction of a job well done.

At present the members are Bernard Ball, Gordon Ruoff, Sherman Francisco, David Coahran, William Clark, Garry Coleman, Donald Comes, and Mr. Johnson, our sponsor.

SPORTSMEN'S CLUB

One of the most progressive clubs to be organized in Smethport High this year was the Smethport High Sportsmen's Club. It is composed of a group of able bodied outdoorsmen, who meet each week with the hope of broadening their knowledge of things afield and in the stream.

The main feature of the club is the excellent wildlife movies which are shown weekly. Lectures and demonstrations also are included being given by the various local state officials. Field trips are made in which animal feeding stations are set up and fire fighting methods are studied.

Among other things planned for the future is a Rifle Club. This club will be sponsored by the National Rifle Association, which supplies the guns and ammunition.

Through the efforts of this club it is hoped that in future years a better educated type of sportsmen will roam our fair hills and streams.

HOMEMAKING CLUB

The purpose of the Homemaking Club is to arouse interest and provide rudimentary training in the art of Homemaking.

Those enrolled do, under the supervision of the sponsor, textile painting, applique, needlework, and various projects in sewing.

Membership in this club is open to all Junior and Senior High girls. This gives every girl the opportunity to have some instruction in Homemaking, that is if they are not taking the Homemaking course.

First row: Van Gorder, Russel, Burrows, Ordiway, Lindquist, Campbell, Tarbox, Mitchell, Mrs. Leukel.
Second row: Defibaugh, McKenzie, Henery, Faes, Pais, Abbey.

GIRLS' TUMBLING CLUB

This club is something new in Smethport High School; it is organized under the direction of Miss Bonfilio.

The Sports Club is set up and run by representatives from each home room. Four girls were elected by their classmates to represent them in sports.

The purpose of this club is to schedule the intramural games and to sponsor the Tumbling Club and the bowling teams.

Each girl who participates in any of the sports earns a credit. The club is trying to make it possible to give awards to those who were outstanding in sports throughout the school term.

Tumbling Club had such a large enrollment during the first semester that it became impossible to meet only one day a week. At the beginning of the second semester, two days were set aside, one day for the Junior High girls and the other for the Senior High girls.

Intramural game schedules were set up for volley ball, soccer, and basketball. These games were played after school and the two winning teams had a play-off game.

Bowling is something which has never been listed as an activity for the high school students. This sport meets once a week and plays two games a night.

This year, being the first year for the Sports Club, it has been rather slow moving, but through future years and more experience this club may some day have the same rating as other clubs on our activity list.

BOYS' TUMBLING CLUB

This organization is composed of boys in the Junior and Senior High School, who are interested in gymnastics. Since its organization three years ago by Mr. Harrington, great strides have been made. With Charlie Cook, Butch Covert, Paul Irons, Louie Peters, and Malcolm Thayer as charter members, the club grew this year to twenty-five members.

Under the able supervision of Mr. Zwald, the group has progressed from the simple basic exercises to a well trained, well timed tumbling team that has mastered the most complicated exercises. Some of the exercises that the members mastered this year were the front flip, the one-handed head spring, head spring from a man's back, and the dive over eight or ten men.

Something new in public exhibitions came this year when the tumbling club gave a mass exercise demonstration. After much preparation, the club presented a fine program of gymnastics.

If the group continues to progress in the future as it has this past year, competition with other schools may become a reality.

No doubt a great number of you are unaware that our organization is a part of the Y.W.C.A. Both Kane and Bradford offer privileges to our organization, but because of the distance we have never availed ourselves of this privilege.

Just recently we have adopted a new name, Y-Teens. We pay no dues; however, we have an admission fee of twenty-five cents. We meet each week and during the course of the year we have several parties. In former years our only activity was packing Thanksgiving baskets and readying toys for Christmas. This year we have taken on another project, making baby layettes. These include all the necessary articles as well as a few extras.

There are only a few who faithfully attend our meetings, a few eighth graders, some juniors, and one senior. The picture below was taken before a definite time for our meetings was set; consequently a very small number of those below are current members of the Y-Teens. Due to lack of facilities in the Home Economics Room, our traditional campaign for new members and our Victory Dinner have been omitted from our calendar.

We are under the sponsorship of Miss Day; though she cannot be present at all our meetings, we have a very promising protege in Mrs. Leukel. She has certainly done a splendid job in guiding our far from deft fingers in the art of making layettes.

DANCING CLUB

Something new and different was added to the school activity program this year with the addition of a Junior High Dance Club, created to enable the seventh, eighth, and ninth graders to do the two step, waltz, polka, and even rhumba.

Miss Bonfilio and Miss Lewis arranged a group on Tuesday, one on Wednesday and one on Friday, each group meeting for six weeks. Thus at least three different sections were given an opportunity throughout the school term to learn how to dance before their Junior Prom.

Several after school tea dances were held in the gym with novelty dances to vary our program.

Tentative plans include official club or organization next year in order to build up a record library for the club.

HALLOWEEN MURALS

1949

Late in October the painting of murals on the store windows was started under the excellent supervision of Mrs. Anderson.

Forty-six committees, in groups of three to six students each, participated in the contest. The themes varied from comic characters to beautiful scenery. All were finished to perfection in the brightest of tempera colors.

The success of this initial experiment was made possible only through the fine co-operation of the friendly merchants and participants.

All those who were passing through the town at the time the decorating was in progress were impressed by the artistic ability and initiative displayed during the week, and the residents of Smethport and surrounding territory acclaimed it with pride as both ornamental and entertaining.

The success of the experiment is unquestionable and plans for the carrying out of this activity as an annual event are already being made.

Appreciation to Merchants

For some time now, the Nunundah has gone to press each year and the students who planned it and assembled it have had the satisfaction of knowing they did a good job.

Lost in the shuffle, however, is the influential group whose assistance we could not afford to miss. We refer to the business men of Smethport, Bradford, Olean, Port Allegany, Eldred, and neighboring communities who most generously contribute monies that finance publicity costs. We thank you for backing the Nunundah 100%.

We ask you to read these pages carefully and patronize these—our friends—who deserve your consideration. The photography in the Nunundah is the work of Mr. William Barton, an alumnus of Smethport High School.

Mr. Vester:-

I feel as if we have
everything in the world to
remember. Perhaps the greatest
rough spot in our history was
when I had to finish my
sophomore year with the "Varsity"

Remember the hardships
we went through to win the
first championship for our dear
high school.

I am the coach that taught
me everything I know and to
the best coach I have ever
had.
